Another book that I thoroughly recommend

Dear %\$firstname\$%,

Welcome back to 2009 and welcome to all our new subscribers!! Wow, what a busy couple of months it's been. This year has started off with a bang and now continues to race along at an ever increasing rate. It's all good though!!

We started the year with our big event...the first ever 'Universal Day of Soulbirthing'. It was a big success, with everyone having fun on the day and lots of wonderful conversations had by all. Thanks to my friend Greg, we now have a terrific collection of photo's of the event, which can be viewed by following the link at www.soulbirth.com. There is a report about the days events at <http://www.soulbirth.com/udsb.99.html> as well as a downloadable booklet with information about the event.

This is going to be an annual event, so get planning and see what you can come up with for next year. Thank you so much to all the helpers on the day and all of our sponsors who made this event possible. Without you all, it wouldn't have been able to happen.

is: 'The Passion Test' by Janet Bray Attwood and Chris Attwood. It helps you to find your passion...what makes you tick, and gives practical strategies to get out there and live it! This is totally in line with what the 'Universal Day of Soul-Birthing' was all about! You can find it in the Soulbirth online shop.

For those of you who do not wish to use Paypal when ordering online, we can now take credit cards!! So come and checkout all of our products and feel safe when purchasing over a secure site. We will soon be appearing on E-bay as well!

The timing for this event couldn't have been better. With the downturn in the economy, the increasing negativity in the media and so many natural disasters happening all around us, it was a good opportunity to surround ourselves with positive energy and look at the bigger picture. It's time like this that we need to look deep within ourselves for answers and guidance. This is after all, the place where true happiness resides. Go to: <http://www.soulbirth.com/udsbfaqs.96.html> to learn more about what the day represented and things you could do at anytime to connect with your purpose.

Upcoming Happenings!

Teleclasses

Soon to come now, as a follow on from the big day is a series of free 'teleclasses'. There will be a range of topics all to do with 'Soul-Birthing'. So if you're interested in hearing more about 'the souls journey' through preconception, pregnancy, birth, parenting, living and dying, as well as everything in between, then make sure you stay current on our mailing list, as 2009 is going to be a very exciting year. Further details will be sent out as soon as dates have been set.

Coaching/Mentoring

As mentioned in a previous newsletter, this year I will be moving more into a coaching/mentoring role which I am really looking forward to. I will be coaching more around the 'Law of Attraction' and 'Creating the Life you truly Desire'. 2008 for me was a culmination of so many things. Becoming a published author alongside world famous authors and world class leaders, was a highlight. Don't forget you can order a copy of the book 'Living an Abundant Life', if you go to my homepage at: www.soulbirth.com and follow the link.

Blog

We have just been setting up a [Soulbirth Blog](http://soulbirthing.wordpress.com) (<http://soulbirthing.wordpress.com>). Here we can keep in touch with you and let you know as things are happening. That way when teleclasses begin, we can post up details straight away. Also new products can be announced as soon as they are available. AND of course, YOU can keep in touch with us. Be sure to visit us and leave a comment.

Watch for us on Facebook!

We are also in the process of getting onto Facebook!! So there will be lots of different methods to keep in contact with each other. We would love your feedback.

I hope you have enjoyed your e-zine from 'Soulbirth'. Don't forget to visit the site to 'opt in' if you haven't already. I look forward to sharing more

news and views with you next time.
